

## ***Baldwin's Station ~ prix fixe menu***

So you've heard of having champagne taste on a beer budget...  
At Baldwin's we say – why not?!

Although prix fixe menus are common in Europe, they're still somewhat of a novelty to most Americans. A prix fixe menu is simply a collection of pre-determined items presented as a multi-course meal at a set price. Baldwin's choices change weekly and it is a great way to enjoy a full three-course dinner for under \$30!

***Followed by your choice of entree ~

***Finish with one of our delectable  
house made desserts***
